

NAWIC NOVA NETWORK MARCH EDITION 2025

PRESIDENT'S MESSAGE

2025 is off to an amazing start, and I'm thrilled by the success of our WIC Week event! It was an inspiring week filled with celebration for the incredible women in our industry.

Looking ahead, we have many exciting events planned that will continue to foster growth, connection, and empowerment within our community. Let's keep this momentum going and make 2025 a year to remember!

-Kayla Bonish, President

SPRING FORUM & ANNUAL CONFERENCE

Northeast Spring Forum: 5/7 - 5/9, 2025 Plymouth, MA

Join us for the NAWIC Northeast Spring Forum! This event will bring together members from across the Northeast for a dynamic experience filled with educational workshops, networking opportunities, and leadership development. It's the perfect occasion to connect and build relationships that will help you grow both personally and professionally. Be sure to mark your calendars and join us for what promises to be an inspiring and engaging forum!

NAWIC 70th Annual Conference – 8/20 - 8/23, 2025 Boston, MA

This year, NAWIC celebrates a major milestone – our 70th Annual Conference in beautiful Boston, Massachusetts! It's an exciting time for our community as we reflect on our journey and look ahead to the future of women in construction. The conference will feature keynote speakers, industry leaders, workshops, and valuable networking sessions, offering unmatched opportunities to learn, collaborate, and celebrate our achievements. Whether you're a seasoned professional or just starting in the industry, this conference is not to be missed!

Registration Details Coming 4/1/2025

We can't wait to see you at both events and celebrate our growth and achievements together.

WIC WEEK

MARCH 7TH, 2025

“ONE DAY IT WON'T BE A MALE DOMINATED FIELD...”

The 4th Annual Women Building the DMV event, co-hosted by NAWIC NOVA and the Washington Building Congress (WBC), was an outstanding success! Attendees had the opportunity to connect with industry leaders, share experiences, and learn from inspiring women who are driving change and innovation in construction. It's clear that the momentum of women in construction continues to grow, and events like this will help pave the way for future generations of women in the industry.

Special thanks to our panelists in order seen above: Amanda Hannam from Contemporary Electrical Services, Laurie Keninitz from Interiors by Guernsey, Claudia Cossio from Mortensen Millwork, Ashley Hayes from Southland Industries, and Kelly McGuire from Canyon Contracting,

NAWIC RESOURCES

CAREER CENTER

The Career Center is an invaluable resource for both job seekers and employers in the construction industry. It connects talent with exciting career opportunities, while also helping companies find skilled candidates to fill their workforce needs. Whether you're looking to advance your career or hire top talent, the NAWIC Career Center offers a user-friendly platform to support your professional growth and success in the industry.

COMMUNITY SERVICE

At NAWIC NOVA, our commitment to community service is rooted in the desire to give back to the community that has supported and helped us grow. That's why we actively seek opportunities to engage in projects and initiatives that make a positive impact on those around us. Through our community service efforts, we partner with local trades, businesses, and organizations to address a variety of needs within the Northern Virginia area.

WELCOME OUR NEW SPONSORS

ALLAN MYERS

Allan Myers is a leading heavy civil construction company based in the United States, specializing in infrastructure projects such as highways, bridges, utilities, and site development. Founded in 1939, the company has grown to become one of the largest privately held construction firms in the country. Known for its commitment to quality, safety, and innovation, Allan Myers has worked on numerous high-profile projects across the Mid-Atlantic and Southeastern U.S. The company is dedicated to delivering complex, large-scale projects while fostering strong relationships with clients and maintaining a focus on sustainable construction practices.

GB SHADES

GB Shades is a commercial constructor specializing in custom window treatments for businesses and large-scale projects. They offer a variety of high-quality blinds, shades, and shutters designed to enhance the functionality and aesthetics of commercial spaces. Known for their expertise in providing tailored solutions for office buildings, hotels, and other commercial properties, GB Shades focuses on creating energy-efficient, durable, and visually appealing window coverings. With a commitment to quality craftsmanship and customer satisfaction, the company plays a key role in transforming commercial interiors while maintaining the highest standards of design and performance.
