

# NAWIC NOVA NETWORK MAY EDITION 2025

## ***PRESIDENT'S MESSAGE***

As we move into the summer season, I'm filled with gratitude for the energy and commitment this chapter continues to show. The longer days and warmer weather offer the perfect backdrop for us to come together, recharge, and refocus on both personal and professional growth.

This summer, we're planning everything from jobsite tours to family events. Whether you're a long-time member or new, I encourage you to stay engaged, support one another, and make the most of what's ahead. Let's use this season to strengthen our bonds and build an even stronger community of women in construction.

## **NAWIC 70th Annual Conference – 8/20 - 8/23, 2025 Boston, MA**

This year, NAWIC celebrates a major milestone – our 70th Annual Conference in beautiful Boston, Massachusetts! It's an exciting time for our community as we reflect on our journey and look ahead to the future of women in construction. The conference will feature keynote speakers, industry leaders, workshops, and valuable networking sessions, offering unmatched opportunities to learn, collaborate, and celebrate our achievements. Whether you're a seasoned professional or just starting in the industry, this conference is not to be missed!

### **Upcoming General Meetings**

Join the NAWIC NOVA Chapter for our monthly General Meetings held virtually every second Tuesday of the month.

These meetings are more than just routine check-ins—they are powerful opportunities to network, share insights, and hear from industry leaders on topics that matter to women in construction.

By attending, you'll:

- **Stay Informed:** Updates on local and National NAWIC initiatives.
- **Grow Your Network:** Connect with other women and allies who are shaping the future of construction.
- **Build Leadership Skills:** Explore opportunities to contribute and grow within NAWIC.

Make your voice heard. Advance your career—from the comfort of wherever you are. Mark your calendar and join us!

AUGUST 14<sup>TH</sup>, 2025 - 3PM

# NAWIC NOVA NETWORK

## CHEERS ON THE TRAILS

APRIL 27<sup>TH</sup>, 2025

On April 27th, 2025, members of NAWIC NOVA enjoyed a scenic hike at Point of Rocks, taking in the fresh spring air, lush greenery, and serene views along the Potomac River. Along the way, there were plenty of photo ops, great conversations, and maybe even a few happy “we made it up this hill” moments. It was the perfect chance to connect, unwind, and enjoy the beauty of nature together. After working up a thirst, the adventure continued at Bleu Frog Vineyard. Cheers to another fantastic NAWIC NOVA outing!

## UPCOMING EVENTS

### TEE TIME 101: LESSONS FOR WOMEN WHO BUILD

Curious about golf but not sure where to start? Join us for a relaxed, beginner-friendly session designed for women in construction. Learn the fundamentals, get hands-on practice, and see how golf can open doors for networking and fun in the field.

Registration coming soon!

SEPTEMBER 25<sup>TH</sup>, 2025 - 6PM

### BOARD INDUCTION CEREMONY

Join us as we welcome and celebrate the newly elected NAWIC NOVA Board. This ceremony honors their leadership and dedication to advancing women in construction and shaping the future of our chapter.

Registration coming soon!

MID-SEPTEMBER

### CHARTERING ANNIVERSARY DINNER

Join us as we celebrate the anniversary of the chartering of NAWIC NOVA. This dinner honors our chapter's history, achievements, and the incredible women who have shaped our journey. Come connect, reflect, and toast to continued growth and success in the years ahead.

Registration coming soon!

DECEMBER 11<sup>TH</sup>, 2025 - 6PM

## CONSTRUCTION SAFETY WEEK

MAY 5<sup>TH</sup> - MAY 9<sup>TH</sup>, 2025

### ALL IN TOGETHER: INTERVIEWING STACY SKINNER

During our engaging conversation with Stacy Skinner, President of SCS Safety Health & Security Associates, she brought energy, insight, and a deep passion for protecting people to the forefront of Construction Safety Week. Stacy emphasized that safety is far more than rules and law; it's a shared mindset and a culture built from the ground up. She stressed the importance of leadership, but also the power every individual has to make a difference by speaking up, watching out for one another, and taking responsibility for safety on and off the jobsite.

When safety is personal, proactive, and embraced by everyone, the entire industry benefits. Her message to teams everywhere during Construction Safety Week is one of unity and purpose because in the end, the goal is simple and powerful: everyone goes home safe. With leaders like Stacy driving the message, that goal feels more achievable every day.
