

THE NAWIC NOVA NETWORK

October 15th, 2024

Dear NAWIC NOVA,

I am truly honored to be the new president of the NAWIC NOVA chapter. As a founding member, it's a privilege to see how far we've come together, and I'm excited for the journey ahead.

First, I'd like to express my heartfelt gratitude to our past president and the entire board for their dedication and hard work. Their leadership has paved the way for us to grow and thrive in this vibrant community.

As many of you know, I work as a Project Manager at DAVIS Construction, where I've had the opportunity to immerse myself in the industry we all love. Each day, I'm reminded of the importance of our roles as women in construction—shaping not just the projects we work on, but the future of our field.

Our chapter has always been about empowering women, fostering connections, and providing support for one another. I am committed to continuing this mission and ensuring that every member feels valued and heard. We have a rich tapestry of skills, experiences, and aspirations within our chapter, and I want to harness that diversity to create even more opportunities for growth and learning.

In the coming year, we will focus on expanding our mentorship programs, enhancing our networking events, and providing resources that empower us in our careers. Together, we can break down barriers and build a more inclusive construction industry.

Let's also not forget the importance of celebrating our achievements—both big and small. I encourage each of you to share your successes and challenges with the group. By doing so, we not only uplift ourselves but also inspire those who will follow in our footsteps.

Thank you for your trust in me as your president. I am eager to work alongside all of you, and I welcome your ideas and feedback as we embark on this exciting new chapter together. Here's to a year filled with collaboration, growth, and the unwavering support of this incredible community!

Let's build something amazing together!

Kayla R. Bonibe

Chapter President

MEET YOUR PRESIDENT

Company: DAVIS Construction

Job Title: Project Manager
